OIL ONLY OR UNIVERSAL?

ABSORBENT ON SHEET OR ROLL

Very good and fast absorption ability. Contains absorbed products well, no risk of drip or spill. Absorbs about 10-12 times its own area-weight. Available as Oil Only or Universal, in the qualities Thin or Thick.

FOR ROADS AND FLOORS

DIAMIX

A versatile granulate for effective sanitation of oils, greases, water, solvents and other fluids on hard surfaces. Has low dusting propensity and prevents slippage. May be used on public roads and is approved for use as absorbent in the food industry. Registered as J1.

Available in the qualities Diamix (outdoors) and Diamix Plus (indoors).

QUICK AID IN CASE OF ACCIDENTS

SPILL BAG

Practical equipment in case of emergency. Easy to store in buses, trucks, tractors, boats etc. With a Spill Bag Emergency Kit you are always well prepared to handle acute small spills up to 20 litres.

Available as Oil Only or Universal/Kem with added Personal Protection and First Aid accoutrements.

RAPID PROTECTION

DRAIN MATS

Convenient drain mats that stop leakage, swift and easy and safely seals the drain. The Drain mat adheres to dry as well as wet surfaces and gives a very tight sealing. Withstands traffic by trucks and pedestrians without moving. It is possible to splice together several drain mats with a minimum of 20 mm overlap, maintaining full sealing.

COLOURED & WHITE RAGS

For polishing and wipe cleaning. Available in several colours and qualities.

TOP PROTECTION

DRUMTOP MAT

Very good and fast absorption ability. Contains absorbed product well, no risk of drip or spill. Absorbs about 10-12 times its own area-weight.

SANOL™ SNAKES

SANOL/FIXOL is developed in Sweden. It is an environmental-friendly, effective sanitation material able to absorb more than 35 times its own weight

DRUMSNAKE SANOL Oil Only is adapted for drums and has a loop in one end to simplify attachment of the snake around a steel- or plastic drum.

...AND BOTTOM

KÖLSVINKÖRV

The one and only...

Absorption capacity about 1 litre.

“Bilge sausage” for small to medium leisure boats.

BOOMS

Can absorb up to 50 times compared to dry weight. Available in three dimensions, 18 cm, 13,5 cm and 8 cm.
